

"Soulscapes"

2nd Annual ISSSEEM Juried Art Exhibition

"Soulscapes" is an exhibition of paintings, photographs, and sculpture reflecting the mystery, the humanity, and the potentiality of the ISSSEEM Community.

- ✦ The exhibition is located in Windsor, the Conference "Quiet Room."
- ✦ Take a few minutes and reflect or even meditate on the images.
- ✦ Stay awhile and bask in the vibration of the Tibetan Singing Bowls played by Cindy Cunningham
